INDEPENDENT AUDITORS' REPORT

Board of Directors
Haitian Global Health Alliance
New York, New York

We have audited the accompanying financial statements of Haitian Global Health Alliance which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Haitian Global Health Alliance as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Alliance utilizes the accrual basis of accounting which is in conformity with accounting principles generally accepted in the United States of America. Under the accrual basis of accounting, revenues are recorded when earned and expenditures are recorded when incurred.

ACCOUNTING ESTIMATES

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

FINANCIAL STATEMENT PRESENTATION

The Alliance reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. As of December 31, 2020 and 2019, there were no net assets with donor restrictions. Net assets without donor restrictions include the revenues and expenses associated with the principal purpose of the Alliance.

INCOME TAXES

The Alliance qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Accordingly, it is not subject to state or federal income taxes.

The Alliance follows professional standards which clarify the accounting for uncertainty in income taxes recognized in the Alliance’s financial statements and prescribe a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken on a tax return. The standards also provide guidance on derecognition and measurement of a tax position taken or expected to be taken on a tax return.

The Alliance files income tax returns in the U.S. federal jurisdiction. The Alliance’s federal income tax returns for tax years 2017 and beyond remain subject to examination by the Internal Revenue Service.
