IMPACT REPORT

UNPRECEDENTED CHALLENGES UNPRECEDENTED SUCCESSES

TO OUR GENEROUS SUPPORTERS

2024 was a very difficult year for Haiti and for GHESKIO. Despite the increase in gang violence and social unrest, GHESKIO continued undeterred to provide outstanding general services for more than 200,500 patient visits at GHESKIO Centers and in the community – at no cost to patients. GHESKIO is now one of only a handful of entities providing care to the millions of people in Port au Prince and by far the largest.

As the Haitian Global Health Alliance moves into its 8th year of providing financial and communications support for GHESKIO, we remain steadfast in our mission to support its outstanding clinical care, world-class research and training and innovative approach to global health solutions under conflict zone conditions. People often ask me why I support GHESKIO given the increasingly chaotic environment in Haiti. The last year has only reinforced my commitment to GHESKIO. GHESKIO is serving the poorest communities in the poorest country in the western hemisphere. Patients are under constant threat to their lives with women and children at particularly high risk for violence and death. Our model of free high-quality care provided by Haitian personnel under Haitian leadership is resilient and effective. GHESKIO's strict financial, ethical, and clinical standards further reinforce this outstanding approach to care.

With the board of directors for HGHA covering all overhead costs, every dollar you donate supports GHESKIO's mission. More than ever, I hope you will continue to support this vital work.

JOIN US IN MAKING A LASTING IMPACT

To continue this life-saving work, we need new partners who share our vision. Corporate sponsorships not only provide critical support, but also offer meaningful brand visibility and show your company's commitment to those most in need. For legacy gifts or gifts of stock, please contact our Executive Director at Scott@hgha.org. Every penny of every gift goes directly to fund GHESKIO's work—bringing care, dignity, and hope where it's needed most.
